**The *New York Times* bestselling memoir from the legendary Gucci Mane spares no detail in this “cautionary tale that ends in triumph” (GQ).**

For the first time Gucci Mane tells his extraordinary story in his own words. It is “as wild, unpredictable, and fascinating as the man himself” (*Complex*).

The platinum-selling recording artist began writing his remarkable autobiography in a federal maximum security prison. Released in 2016, he emerged radically transformed. He was sober, smiling, focused, and positive—a far cry from the Gucci Mane of years past.

A critically acclaimed classic, *The Autobiography of Gucci Mane* “provides incredible insight into one of the most influential rappers of the last decade, detailing a volatile and fascinating life...By the end, every reader will have a greater understanding of Gucci Mane, the man and the musician” (*Pitchfork*).
