Shackled to her enemy!

As the prison gates close behind her, newly free Beth Lazenby vows that they are also closing on her past. Until she encounters the merciless lawyer who helped to wrongfully imprison her all those years ago... Still convinced of her guilt, Dante Cannavaro is stunned when his anger boils over into passion.

There's no chance he'll allow Beth to escape - especially now she's carrying his heir! With a proposal that is more of a command than a request, will Beth ever be able to prove her innocence - or will she be forever beholden to her enemy?

'The dialogue between the hero and heroine is riveting! A must for all Jacqueline Baird fans.' - Andrea, Teacher, Stratford

About the author

When Jacqueline Baird is not busy writing she likes to spend her time travelling, reading and playing cards. She enjoys swimming in the sea when the weather allows. With a more sedentary lifestyle, she does visit a gym three times a week and has made the surprising discovery that she gets some of her best ideas while doing mind-numbingly boring exercises on the weight machines and airwalker. Jacqueline lives with her husband Jim in Northumberland.
