## **20th Anniversary Edition**

Tina Brown's definitive behind-the-scenes insight into the life of Diana Princess of Wales now features a **brand new introduction by Andrew Marr.**

**Twenty years after her death, Princess Diana remains a mystery.**

**Was she "the people's princess," who electrified the world with her beauty and humanitarian missions? Or was she a manipulative, media-savvy neurotic who nearly brought down the monarchy?**

*The Diana Chronicles* parts the curtains on Diana's troubled time in the mysterious world of the Windsors, as she breaks out of her royal cage into celebrity culture, where she found her own power and used it to devastating effect.

Tina Brown knew Diana personally and deeply understands her world. She knows the game and its players, and her far-reaching insight extends past Diana to the royals and the Queen herself. You've never seen the royal family and its cast of powerful women quite like this.
