Not every dragonet wants a destiny...

Clay has grown up under the mountain, chosen along with four other dragonets to fulfill a mysterious prophecy and end the war between the dragon tribes of Pyrrhia. He's not so sure about the prophecy part, but Clay can't imagine not living with the other dragonets; they're his best friends.

So when one of the dragonets is threatened, all five spring into action. Together, they will choose freedom over fate, leave the mountain, and fulfill their destiny - on their own terms.

The *New York Times* bestselling Wings of Fire series takes flight in this first graphic novel edition, adapted by the author with art by Mike Holmes.
