It's supposedly what everyone wants: fame and money. The American star-making machine never stops in its efforts to uncover new talent, because talent is what feeds it. Megan, a talent scout for Independent Art Productions, discovers Jude on stage while he's performing in a sex act. He may be star material: women want him and men want to be him. But before he can pursue stardom, he has to escape the clutches of his new girlfriend, the daughter of a Chinese gangster. Murders of convenience, empty sex, big bucks, bad driving, and some crazy tattoos—it's the 21st-century American Dream.
