Gain a deeper knowledge of drum-chart reading and interpretation through the performance of 40 songs in 9 different styles:

- \*Afro-Cuban
- \*Blues
- \*Brazilian
- \*Funk
- \*Fusion
- \*Jazz
- \*Reggae
- \*Rhythm & Blues
- \*Rock

Each style starts with simple drum charts and gradually builds to more complex and demanding compositions. The book contains two tracks for every drum chart—a full performance with drums and a track minus drums allowing the drummer to both study the style and play along with the band. *The Drummer's Play-Along* also includes sections on song structures, musical terms and symbols, and interpretation of rhythmic figures.
