Dialogue is often overlooked as a necessary and potent instrument in the novelist's repertoire. A novel can rise or fall on the strength of its dialogue. Superb dialogue can make a superb novel. F. Scott Fitzgerald wrote, "Action is character." George V. Higgins said, "Dialogue is character." They were both right, because dialogue is action. It comprises much, if not all, of the clarifying drama of any novel. How much physical action can there be in 300 pages, even in a crime novel or a thriller? And all conflict, even physical, begins as dialogue.

Hough explains how dialogue can reveal a character's nature as well as his or her defining impulses and emotions. He says there must be tension in every colloquy in fiction, and shows the reader ways to achieve it. Hough illustrates his precepts with examples from his own work and from that of the best modern writers of dialogue, including Cormac McCarthy, Kent Haruf, Joan Didion, Annie Proulx, Lee Smith, Elmore Leonard, George V. Higgins, William Kennedy and Howard Frank

Mosher. He cites early 20th century writers who refined and advanced dialogue as an art form: Ernest Hemingway, Ring Lardner, Dorothy Parker, and William Saroyan.

Hough's novel *Seen the Glory: A Novel of the Battle of Gettysburg* was praised by Lee Smith as containing "the best dialogue of the period I have ever read." *Hough on Dialogue* will give writers and aspiring writers a fresh look at one of the essential ingredients of their craft.
