The Game recounts the incredible adventures of an everyday man who transforms himself from a shy, awkward writer into the quick-witted, smooth-talking Style, a character irresistible to women. But just when life is better than he could have ever dreamed (he uses his techniques on Britney Spears, receives life coaching from Tom Cruise, moves into a mansion with Courtney Love and is officially voted the World's Number One Pickup Artist) he falls head over heels for a woman who can beat him at his own game. If you want to play The Game you need to know The Rules. This book is not a story. It is a how-to book. This Stylelife Challenge is not meant to be read. It is meant to be performed. Whatever experience level you have, whatever strengths and weaknesses you may have, whether you're a virgin or a Don Juan, the stage has been set for you to perform at your highest capacity. The Stylelife Challenge is a simple, easy-to-follow guide to the basics of approaching and attracting women. The Challenge is simply what works best and fastest. Neil Strauss spent four years gathering this knowledge, living it and sharing it. He's tested the specific material in this book on over 13,000 men of varying ages, nationalities and backgrounds. Part practical application and

part sequel, this is the further adventures of Style and his game techniques. The result: A month-long workout program for your social, attraction, dating and seduction skills.
