

Télécharger Livres Gratuit The Girl on the Balcony (PDF | ePub | Mobi) Olivia Hussey download-free

In 1968, at only sixteen years old, Olivia Hussey became one of the most famous faces in the world, immortalized as the definitive Juliet in Franco Zeffirelli's *Romeo & Juliet*. Now the iconic girl on the balcony shares the ups and downs of her truly remarkable life and career . . .

The part was an opportunity of a lifetime for a simple girl from Buenos Aires, Argentina. But for Olivia, the role of movie star was hard to play, and harder still, to live up to. In this candid memoir, she tells her story—from being an “It Girl” in swinging 60s London and her enduring friendship with *Romeo & Juliet* co-star Leonard Whiting, through three tumultuous marriages—including one with Dean Martin's son, Dino—motherhood, stage-four breast cancer, debilitating agoraphobia, bankruptcy, and ultimately, a journey of self-discovery in India that led her on a path to fulfillment.

She brings readers intimately close to the legendary performers she knew, loved, worked with, and battled, including The Beatles, Vanessa Redgrave, Bette Davis, Elizabeth Taylor, Frank Sinatra, Liza Minnelli, Anthony Perkins, Christopher Reeve, Lawrence Olivier, Ingrid Bergman, and more. Olivia also finally reveals for the first time, the identity of the actor—a fellow young newcomer—who raped her, but who would not break her.

Featuring a foreword by her star-making director Franco Zeffirelli, Olivia Hussey's memoir shines with her luminous spirit—inspiring, surprising, and fascinating to read about.
