The *New York Times*-bestselling author of *Start With Why*, *Leaders Eat Last*, and *Together Is Better* offers a bold new approach to business strategy by asking one question: are you playing the finite game or the infinite game?

In *The Infinite Game*, Sinek applies game theory to explore how great businesses achieve long-lasting success. He finds that building long-term value and healthy, enduring growth - that playing the infinite game - is the only thing that matters to your business.
