What do you want the most from this life? Is it happiness, wealth, power, health or success? Whatever it is, know this: All things are possible to him who believes. If you believe, you will receive whatever you set your mind to.

Throughout the years, people of all ages, continents and generations have proved the magic of believing. Read their stories in this book. Alexander the Great and Napoleon Bonaparte believed in their destinies and showed us the magic.

You can master your thoughts and use self-suggestion to reach your goals; use your imagination to achieve greatness and harness the unlimited power of your subconscious mind to make your dreams come true.

Whatever we constantly dwell upon and emotionalize in the deepest corners of our souls - be it good or bad, reasonable or not, close or distant - that is what we will definitely receive in the outer world of our surroundings.

Read and reread this book until it becomes a part of your daily life. Faithfully use the techniques describe within and you will get results far beyond your wildest expectations. Just believe that there is genuine creative magic in believing and magic there will be, for belief will supply the power for you to succeed in everything you undertake.
