George S. Clason's The Richest Man in Babylon is an international best selling and now considered classic book on financial investment and fiscal success. Through a series of delightful short stories, straight from the heart of ancient Babylon, these economic tips and tools for financial success have withstood the test of time and are applicable still today. Here, Clason's text is interpreted for the modern day world and offers you 52 simple - yet powerful - and proven techniques to manage your finances. Karen McCreadie's interpretation of Clason's work illustrates the timeless nature of his insights by bringing them to life through modern case studies. This brilliant interpretation of The Richest Man in Babylon is an entertaining accompaniment to one of the most famous books on personal finance ever written.
