Haley Wagner's life just got a lot more complicated. As if turning her struggling ranch around isn't tough enough, she's forced to call *him* for help. With his hard eyes and even harder body, Cord is an irritatingly sexy contradiction of hot and cold. How can she possibly hide her embarrassing secret when just *looking* at Cord is a combustible event?

Former Army Ranger Cord Brannigan has a secret, too. He promised his fallen teammate he'd protect the tempting, fiercely independent Haley from a distance, but now they're stuck together for three weeks. Alone. Keeping his hands *off* will take every ounce of control he can muster. And that control is slipping...

Each book in the Men of at Ease Ranch series is STANDALONE:

- \* In a Ranger's Arms
- \* Her Secret Ranger
- \* The Right Ranger

- \* Army Ranger with Benefits
- \* The Army Ranger's Surprise
