Chekhov's celebrated masterpiece is given vibrant new life in this dynamic new version by Olivier Award-winning playwright Simon Stephens.

Switching effortlessly between the ridiculous and the profound, *The Seagull* forensically examines the transcendence and destructiveness of love. The burning need to create art and how harshly that need can be crushed permeates the play.

Simon Stephens' new adaptation of *The Seagull* received its premiere at the Lyric Hammersmith, London on 3 October 2017.
