THE SUNDAY TIMES BESTSELLER

'A mind-expanding tour of the world without leaving your paintbox. Every colour has a story, and here are some of the most alluring, alarming, and thought-provoking. Very hard painting the hallway magnolia after this inspiring primer.'

Simon Garfield

The Secret Lives of Colour tells the unusual stories of the 75 most fascinating shades, dyes and hues. From **blonde** to **ginger**, the **brown** that changed the way battles were fought to the **white** that protected against the plague, Picasso's **blue** period to the **charcoal** on the cave walls at Lascaux, **acid yellow** to **kelly green**, and from **scarlet** women to **imperial purple**, these surprising stories run like a bright thread throughout history. In this book Kassia St Clair has turned her lifelong obsession with colours and where they come from

(whether Van Gogh's **chrome yellow** sunflowers or punk's **fluorescent pink**) into a unique study of human civilisation. Across fashion and politics, art and war, *The Secret Lives of Colour* tell the vivid story of our culture.
