"Death is the back door into the other world. It is not the door of honor and glory. Death is the torturous, round-about way of painful correction. It is the way for those who are not given a great welcome. It is the path of many delays, in which the erroneous ideas accumulated in life may be removed. It is the painful way of correcting the false beliefs and the false standards gathered along the road of life. It is the way of removing the seals that have been placed upon the mind through bigotry, evil, fleshly lusts, an inflated ego or an inferiority complex. Death is the way of nurturing immature, weak souls. It is the way of correction.

"There is, however, a front door which is the way of utter glory and honor. This is the door Christ came to reveal and none would believe. This door is opened to all who overcome. It is opened by the very power of their overcoming.

"This book is written to reveal, to those who are ready, the beauty and magnificence of that front door. It is a book written out of the fires of eternity. It is your book. It is the map to your own soul, the diagram of you, temple of God. It will reveal the secret powers that will show you how to overcome the thieves and throw out the money-changers. It is the revelation of that wonderful person you were meant to be, with all your unspeakable powers released for growth and eternal happiness and supreme honor, now—and forever more."—Annalee Skarin
