David Lynch has been accused for decades of sexism and even misogyny in his work, due largely to frequent depictions of violence against women. Yet others see in Lynch's work the deification of the female, and actresses like Laura Dern and Naomi Watts jump at every opportunity to work with him. "He is the master of the juxtaposition of the creepy and the sweet, the sexual and the chaste," wrote W's Lynn Hirschberg. "And at the heart of this tense, intriguing friction, you will always find Lynch's women." The Women of Lynch is a deep, provocative dive into this paradox, featuring twelve essays, thought pieces, and impressionistic interpretations of Lynch's depiction of women on screen by an eclectic array of accomplished female critics, scholars, performers, and writers, each tackling this vexing conundrum in her own unique way. The book also contains an interview with actress Mädchen Amick (Shelly Johnson in Twin Peaks) where she gives first hand knowledge on what it is like to be a woman of Lynch. Lisa Hession interviews the original woman of Lynch, Charlotte Stewart (Eraserhead, Twin Peaks) about

being the actress with longest active span of working with David Lynch. This book contains essays by: x. An Introduction by Philippa Snow¹. The Uncanny Electricity of David Lynch's Women by Leigh Kellmann Kolb². Women's Films: Melodrama and Women's Trauma in the Films of David Lynch by Lindsay Hallam³.
