You think you're worthy of reading this book?

Don't make me laugh.

This book isn't for your gratification. It's not going to point out all the flaws in your useless cock, or help you jerk off to thoughts of a woman controlling your orgasm for her pleasure.

This is a book about a real person, not some inane male fantasy.

This is a book about Mistress T.

This is the true story of a poor girl from small-town Nova Scotia, and her transformation into one of the most successful Dominatrix porn stars in the world. It's a story that is, at turns, both funny and insightful, a story of sex, drugs, and stilettos. But it's also a candid look at relationships, at human connection, at love, at the flawed families who make us who we are. A frank and revealing memoir, THERE IS MORE TO THE STORY manages to both explore the sex industry, and humanize the women who work in it.

This is a book about Mistress T, but not the Mistress T you know.

And it's the closest you're ever going to get without paying for

it.
