365 affirmations and reflections drawn from the inspirational work of Louise Hay.

Queen of the New Age . . . A founder of the self-help movement . . .

The closest thing to a living saint . . .

Louise Hay was called all this and more, and her work inspired millions worldwide, but she never set herself up as a guru with all the answers. She urged every attendee at her workshops and conferences, every reader of her dozens of books, to remember that it is you who has the power to heal your life. She was just here to guide you on the path of remembering the truth of who you are: powerful, loving, and lovable.

In honor of Louise's life, you now hold in your hands this compilation of her most inspiring teachings from her greatest works. Our hope is that the 366 entries within this book allow you to carry the wisdom of Louise with you each and every day, and inspire you to trust the process of Life. As Louise said:

"Very simply, I believe that what we give out, we get back; we all contribute to, and are responsible for, the events that take place in our lives--both the good and the so-called bad. We create our experiences based on the words we say and the thoughts we think. When we create peace and harmony in our minds and think positive thoughts, we will attract positive experiences and like-minded people to us. In essence, what I'm saying is that what we believe about ourselves and about Life becomes true for us."
