Cette année-là, j'avais vingt-deux ans et j'allais, au même moment, rencontrer l'insaisissable Paul Darrigrand et flirter dangereusement avec la mort, sans que ces deux événements aient de rapport entre eux. D'un côté, le plaisir et l'insouciance ; de l'autre, la souffrance et l'inquiétude. Le corps qui exulte et le corps meurtri. Aujourd'hui, je me demande si, au fond, tout n'était pas lié.

Après *Arrête avec tes mensonges*, Philippe Besson poursuit son dialogue avec les fantômes de sa jeunesse et approfondit son souci d'exprimer sa vérité intime.
