Vaincre la corruption en Afrique

La solution patrimoniale

Comment rendre la lutte contre la corruption plus efficace dans les pays africains ? En prenant le cas du Cameroun pour illustration, l'auteur constate l'impasse des stratégies de lutte contre la corruption, traditionnellement basées sur la traque préventive ou répressive, à l'instar de la célèbre "Opération Epervier". Sa Solution patrimoniale vise à mettre un terme à cette patrimonialisation illégitime des ressources publiques.
