Chapter Approved 2018 is the essential gaming toolbox for all Warhammer 40,000 fans. Whether you're a loremaster looking to build rich campaigns to matched play maniacs looking for the latest balance updates, or just looking for something completely new, you'll find something inside to pique your interest.

Inside the eBook of Chapter Approved 2018, you'll find:

- A full beta codex for the Sisters of Battle, letting you join in with the world's biggest playtest as well as trying the new rules early!
 - New profiles, rules and matched play points for the Nine, Commander Farsight's battlesuit-armoured elite
 - A section on Looted Wagons that lets you design and convert any kind of ramshackle Ork vehicle you can imagine, then use it in open play
- The latest matched play points updates, painstakingly balanced and tuned in conjunction with major tournament organisers and our playtesters.

Experiment with new rules, build your own characters, try new missions - however you play, Chapter Approved has something for you and is a fitting guide to another incredible year of Warhammer 40,000.
