

Télécharger Livres Gratuit What the future (PDF | ePub | Mobi) MO/CDM download-free

Mo/CDM n'est jamais aussi bon que quand il évolue dans son univers favori : le futuro/humoristique. On se souvient du beau petit succès de Geek War. Dans le même esprit, Mo/CDM nous propose avec WTF un concentré de gags ultimes dans un décorum très riche digne de Star Wars. Il traite à travers ces pages richement illustrées de notre quotidien actuel, et caricature à l'extrême nos vilaines manies de beaufs hyperconnectés (jeux, réseaux sociaux, téléphonies, etc.).
