I think this woman may be the death of me. A dire prediction, but probably true.
Probably true because she's not mine to have and I'll probably take her, even at the risk to my own safety. So many men slobbering to get a taste of her and only one, sweet, virginal girl to go around.
That's right.
She's a virgin.
Looking like a porcelain china doll that would break if not handled carefully. But I also know she's stronger than she looks.
She's a contradiction.
She's most likely my downfall.
Like I said, she'll probably be the death of me, but it's a risk I'm willing to take.
