

Télécharger Livres Gratuit Winston Churchill (PDF | ePub | Mobi) Denis Lépée download-free

"L'Histoire me jugera, disait Churchill, et elle me donnera en grande partie raison, parce que je compte bien l'écrire."

Homme d'Etat, héros national, mais aussi fin lettré et personnalité flamboyante, Winston Churchill, mort il y a 50 ans en janvier 1965, a marqué l'Histoire. Issu d'une lignée prestigieuse, député à vingt-six ans et ministre à trente et un, il devient en 1940 la figure de l'antinazisme. Par ces 50 histoires courtes et percutantes, Denis Lépée vous propose de découvrir les multiples facettes de ce personnage aussi complexe que passionnant, familier des coups d'éclats, mais pétri de doutes et de contradictions. Derrière l'image de l'original au cigare, amateur de bons mots et redoutable animal politique, se profile celle d'un homme au destin exceptionnel, dont l'esprit, la détermination et la témérité n'ont pas rencontré d'égal dans l'Histoire contemporaine.
