Devil's Playground Las Vegas

The first book in the HOT new Devil's Playground series!

Isaiah Fontenot had never played the role of white knight. At least not until his boss, Maximillian Adorite, gave him the order to. That was when he found himself coming face to face with the stunning Cassidy Owens, the woman in need of saving.

Cassidy only thought she was hiding from the men who were looking for her brother. Not knowing where to go, Cassidy opted to hide in plain sight, taking up temporary residence in a Vegas hotel near her condo. Turned out, she wasn't as good at hiding as she had planned.

When Isaiah finds Cassidy, it doesn't take long for passion to ignite. But at the end of the day, when the threat to Cassidy has been neutralized, will the two of them be able to walk away? Without regret?

Novella, No cliffhanger

Devil's Playground is a spin-off series from Southern Boy Mafia. Each novella is complete and does not contain a cliffhanger.
