Ulysses III is rapidly becoming one of the apps of choice for Mac-based novel writers. Best-selling novelist David Hewson, author of the ever-popular Writing A Novel with Scrivener, offers a professional insight into how to use this unique app for writing fiction.

This ebook covers all the aspects of Ulysses a writer needs to master in order to produce a finished book, from initial planning through to completed ebook, word file or pdf. You will learn how to use Ulysses to structure a book into parts and scenes and ways to manage research and ideas. Hewson also describes how Ulysses stores work uniquely in its own library, enabling you to work on the same draft manuscript across different machines while on the move.

For budding screenwriters there is a section on how to use Ulysses to produce scripts to professional formats that can be edited later in movie apps such as Final Draft. Now updated

to cover the latest Yosemite version of Ulysses on the Mac, and the latest companion IOS app for iPads and now iPhone.
