La collection So chic accueille des sujets culinaires tendance et propose une approche graphique résolument différente grâce notamment à l'utilisation de motifs inspirés des années 50. Après « je fais mon pain », voici venue la mode de « je fais mes yaourts ». Ce livre propose 40 recettes pour préparer des yaourts sucrés (vanille, chocolat, cerises...) et même salés (tapenade, betterave...) avec ou sans yaourtière.
