**WARRIOR. SAMURAI. LEGEND.**

**The remarkable life of history's first foreign-born samurai, and his astonishing journey from Northeast Africa to the heights of Japanese society.**

The man who came to be known as Yasuke arrived in Japan in the 16th century, an indentured mercenary arriving upon one of the Portuguese ships carrying a new language, a new religion and an introduction to the slave trade. Curiously tall, bald, massively built and black skinned, he was known as a steadfast bodyguard of immense strength and stature, and swiftly captured the interest, and thence the trust, of the most powerful family in all of Japan. Two years later, he vanished.

***Yasuke* is the story of a legend that still captures the imagination of people across the world. It brings to life a little known side of Japan - a gripping narrative about an extraordinary figure in a fascinating time and place.**
